# ALBA

Alba has a modern yet timeless design and combines comfort and style, featuring high-quality materials and craftsmanship. It is upholstered in luxurious semi-aniline leather and includes discreet touch-button-operated reclining seats with full chaise leg support. The seating offers plump, fibre-filled high backs with built-in lumbar support, while resilient pocket sprung foam and a durable serpentine sprung seat platform provide lasting comfort. The sturdy hardwood frame, sourced sustainably, is complemented by sleek, tapered legs. Additionally, integrated USB charging ports add convenience to the design.
