CANNES

COUSINS

FURNITURE

CANNES

- A versatile reclining design with attractive contemporary styling plus innovative Cinesound features (where applicable)
- Carefully handcrafted from quality materials, using the latest production techniques
- Neatly upholstered in a choice of practical tactile chenille fabrics or in a choice of luxurious leathers
- Generous high fibre-filled back/s with integral lumbar support with enhanced support with telescopic power-adjustable headrest/s
- Touch-button power reclining seat/s with integral USB charging port/s and full chaise recliner leg support/s
- Integral Bluetooth speakers, for an immersive surround-sound experience (on applicable items)
- Central entertainment console – housing wireless charging and USB ports, cupholders, useful storage compartment plus the control panel
- 4D cinema seats, that vibrate to sound-effects and the beat of music (only on the 2 seater with entertainment console)
- Resilient pocket-sprung foam interior/s with a serpentine, fully sprung seat platform and a robust reinforced hardwood frame
