# MARPLE

Marple will enhance any living space with its attractive contemporary styling and classic comfort appeal. Neatly upholstered in a luxurious selection of quality leathers and fabrics, you can sit back and enjoy power-adjustable, fully reclining seats with optional adjustable lumbar supports and headrests for the ultimate relaxation.

Marple also features power reclining with full chaise leg support and a generous high back for enhanced comfort, including integral head support. Optional power adjustable lumbar supports and headrests are available, along with built-in USB charging ports. The seats are constructed with quality pocket sprung foam and a serpentine fully sprung seat platform, ensuring durability and comfort. The robust, reinforced hardwood frame provides added strength and stability.
