FURNITURE

MILO

Milo features fully reversible, premium foam seat cushions with a fiber wrap and hollow pocketed fiber back cushions for added comfort. The seats are supported by high-gauge serpentine springs, while the backs are reinforced with elasticated webbing for durability. Luxurious feather-filled scatter cushions and bolsters provide additional softness. Customers can choose between solid feet in light or dark finishes, or metal feet in a chrome finish. Constructed with hardwood rails and high-density particle board, the frame is built to last and comes with a 25-year guarantee.
