REGATTA

Regatta offers a stylish and timeless design, combining innovative comfort with expert craftsmanship and premium materials. Upholstered in luxurious leather with matching outer accents and piped detailing, it features power-operated reclining seats and integrated USB charging ports. The high-back design includes power-adjustable headrests, while pocket-sprung foam seats and full chaise leg support ensure exceptional comfort. A serpentine, fully sprung seat platform and reinforced hardwood frame add durability and support to this thoughtfully engineered seating solution.
